Do you take reservations? No!

We are a waitlist-based restaurant operating on a first come, first served basis.

Please see the host stand to add your party to our waitlist. We recommend tracking your place in line via the Yelp app.

We will send you a text when your table is ready! You will have approximately 5 minutes to claim your table.

Is the bar open seating? Yes!

The bar will offer walk-up service. Also, open seating is available at our high-top tables in the bar area.

Only appetizers and drinks will be served in the bar area. Our full menu is available at all other tables in the dining room.

Can you accommodate large walk-in parties?

We cannot accommodate walk-in parties larger than 8. We have limited seating for groups of more than 4.

We are happy to accommodate groups of 5-8 but this will likely extend your wait time.

If your group is larger than 8, we can offer separate seating.

We will do our best to ensure seating in the same time frame but cannot offer a guarantee.

The only available option to make a reservation/guarantee seating is via a contracted food and beverage minimum.
